#### Verse

We have the power and authority

To pull down strongholds

(Pull down strongholds)

No weapon formed against me

Shall prosper, oh no

(Prosper, oh no)

#### Chorus

For we wrestle not against flesh and blood

But principalities and powers

Rulers of the darkness must cease (hey)

Spiritual wickedness in high places (yeah)

Put on the whole armor of God

(Put on the whole armor of God)

And stand

(Stand against the wiles of the devil)

Stand, you better stand up now

(Stand against the wiles of the devil)

#### Vamp

If you have the power

You have to check Him every hour

(Hour hour)

If you have the spirit

You have to check Him every minute

(Minute minute)

If you have the weapon

You have to check him every second

(Second second)
