Regurgitating digestive tract  
Swallow my vomit flows red  
Nemesis of morals  
Ejaculate while slicing the dying whore

Paralyzed apoplectic unable to resist  
Torture begins under a sepulchral garment of mist  
Anal chainsaw penetration  
Intestinal hemorrhage

Wrenched lacklusted guts  
Dangling by a vein  
Wrenched lacklusted guts  
Triumph of gore

Dissecting the carcass intercranial torment  
I wrench your stinking guts  
Dressed in carnal ornaments  
Licking the matter  
Flowing from her abscess  
Nauseating fragrance of convulsive  
Body parts  
Eructations
