I heard the kiss, could not ignore
The gentle lap upon the shore
Behind the green fern
Undressing though I could not swim
My body pierced, I threw me in
Just like the clean worm into the lake of sin

The lake of sin
The lake of sin
The lake of sin

A secret knock there on my door
The sun is hot poured on my floor
I push it back out
And now it's cool inside this box
And as I pray, another knocks
I am so devout to the lake of sin

The lake of sin
The lake of sin
The lake of sin
The lake of sin

The lake of sin
The lake of sin
The lake of sin

I hear the kiss, cannot ignore
The gentle lap upon the shore
Behind the green fern
Undressing though I cannot swim
My body pierced, I throw me in
Just like the clean worm into the lake of sin

The lake of sin
Lake of sin
The lake of sin
Lake of sin

The lake of sin
Lake of sin
The lake of sin
