You think I'm crazy you think I don't know what I'm  
doing (sussed)  
I think you're lazy I think you are the one that flew in  
(just)  
By the time I get to Phoenix I will need a screwing  
(trust)  
That's no good with me  
I am double dosed you are ghost  
You are toast you are bandido (just)  
To the thief who calls himself the great hammerhead  
That which is  
I am the great Seus  
That which is yours  
I am the great  
Is now mine

I'm going to city to see my daddy  
I hope he's glad when he is with me  
I was an itty bitty bitty baby  
But now he'll see I am a big man

To the common scum  
Who would have me tied between  
Two semi trucks and torn asunder  
After you time to screw  
I hate you let me do do do your daughter

She's fine she's mine  
I'm joining your line  
I am the great Seus  
To Megara to the scary old man with the pair old dandy  
feet  
I'm not washing your stinky feet  
You're meat you're meat you're meat you're meat  
You lick me off I kick you off  
The cliff you stiff you stiff you stiff you stiff  
I am the great Seus I am the great Seus  
I am the great Seus I am the great Seus

I'm going to city to see my daddy  
I hope he's glad when he is with me  
I was an itty bitty bitty baby

But now he'll see I am a big man

To the great big  
I am the great Seus I am the great Seus  
Fat pig  
I am the great Seus I am the great Seus  
I would like to say  
I am the great Seus I am the great Seus
