Some things in life are so beautiful  
Make you real glad and so dutiful  
Some things in life are so beautiful  
Make you go back again and again  
Make you go right back till the end

Dressed in white, looks just right  
All in brown, let's get down  
Black on black, a tasty snack  
It's amazing it works  
It's amazing it works

Black rubber  
Tight black rubber  
Tight black rubber  
I ain't no chippyin' man

A tight black rubber  
I ain't no chippyin' man  
A tight black rubber  
I ain't no chippyin' man  
Tight black rubber  
Tight black rubber

My baby's so bad, I nearly killed her  
She bit me so hard when I just filled her  
Another gig and another gilder  
I'm all killer and no filler

Mary had a little lamb  
The shit was pure as snow  
Everywhere that Mary went  
And everywhere that Mary went

Black rubber  
Tight black rubber  
Tight black rubber  
I ain't no chippyin' man

A tight black rubber  
I ain't no chippyin' man  
A tight black rubber

I ain't no chippyin' man

Tight black rubber
