We've all got wheels to take ourselves away
We've got telephones to say what we can't say
We all got higher and higher every day
So come on wheels, take this boy away

We're not afraid to ride
We're not afraid to die
So come on wheels, take this boy away
Come on wheels, take this boy today

When I feel that my time is almost up
And destiny is in my right hand
I'll turn to him who makes my faith so strong
Come on wheels, make this boy a man

We're not afraid to ride
We're not afraid to die
So come on wheels, take this boy away
Come on wheels, take this boy today
Come on wheels, take this boy today
