Searching

Oh yea I'm searching

Some kind of feeling

In my life

Watching

Watching you walking

I can't believe you

You're really there

Dreaming

Oh yea I'm dreaming

About you and sleeping

My day away

Come on down from your darkest cloud

Come on down baby cover me up

A lonely song for angels and devils now

Come on down baby cover me up

Pray for your pieces to come back

Together now

Come on down baby cover me up

Come on down from your darkest cloud

Come on down baby cover me up

Solo1

Watching

Watching you falling

I can't believe I

I'm in your heart

Dreaming

Oh yea I'm dreaming

About you and sleeping

My day away

Stealing

Baby you're stealing

Oh yea you're stealing

My heart away

Come on down from your darkest cloud

Come on down baby cover me up

A lonely song for angels and devils now

Come on down baby cover me up

Pray for your pieces to come back  
Together now  
Don't you leave it this way  
Come on down from your darkest cloud  
Come on down baby cover me up  
Come on down from your darkest cloud  
Come on baby cover me up
