Oh Man! I wish you were gone  
You want a ride?  
Sorry to tell you (but) you need  
A car

Oh Man! You gotta be wrong  
I need a fight  
I don't believe you  
He's not that bad

And I said  
So long my ass! It's all your fault  
You have to bring me back her love  
Don't need no luck only your guts  
Don't bother telling me to stop

Oh Man! I wish you got lost  
Do you see that light?  
Sorry to tell you  
It means hit the gas

Oh Man! You gotta be wrong  
Are those your pants?  
I can't believe it's one of those  
Nights !!
