Every word you said cut like a knife  
I pretended i didn't hear all your lies  
Now i know that's not right  
I don't need to feel this way  
I'll be fine, i'll be fine  
And i'm wasting all my money  
I've been searching for your soul  
Maybe one day you will tell me  
What it is i did so wrong  
I'm not looking for forgiveness  
I'm just looking for your soul  
Maybe this is just another, another self pity song

Every time you laugh i wanna die  
I've been packing all my things  
Here's your stuff  
You still owe me your life  
And how dare you use my words  
That's my life, ok fine
