Make a killer wager, Make a killer wager  
Unsurpassed, Unsurpassed  
Do it for the glory, do it for the cash, shit loads of  
Cash.  
Money may buy you things but never class, never class.  
Wing back leather chair, Sharper Image flair,  
Better than the fetter you call home, you call home.  
Sign on the line and it's over before you know.

Business is fine, but you've got to understand.  
Competition is fierce, when you're working as a  
company  
Man.  
Not only fun and games, there's a visionary plan.  
Your future's wide open. Congratulations! You're a  
Company man!

You got it

Excellence, and dare to dream. Get on board a winning  
Team.  
More than a job it's global philosophy, philosophy.  
Visualize success, it comes so easily, so damn easily.  
By all accounts it's a booming industry.

Business is fine, but you've got to understand.

Competition is fierce, when you're working as a  
company  
Man.  
Not only fun and games, there's a visionary plan.  
Your future's wide open. Congratulations! You're a  
Company man!
