Goodbye my friend,yeah I'm leavin' for ever
The day that you die, I'll see you in heaven
I'll swear over I can't, I can't stay
I'll swear over I can't, I can't love myself
Listen to me.
Goodbye my friend,yeah I'm leavin' for ever
The day that you die, I'll see you in heaven
I'll swear over I can't, I can't stay
I'll swear over I can't, I can't love myself
Don't you see, you've still got a chance to breath?
Don't you see, I want you to stay with me?
Listen to me.
