Slick, slick, slick, slick
Slick, slick, slick, slick
They slick acting like haters
They slick acting like hoes
They slick jocking my ride
They slick jocking my clothes
I'm slick getting this money
I'm slick getting this dough
Everything be slick, I just put slick in all of my clothes

[Verse 1]

What you know about slick talk?
Nigga I'm a zone 6 boss
My neck is ice and my wrist frost
Tell them broke niggas get lost
My Jesus piece that slick cost
Ya click weed, y'all slick soft
Don't get hit with that dumper nigga
Tryna dump a nigga with that Kris Kross
I'm fresh as hell in this slick fit
Your girl I slick hit
Trust me dawg, I ain't lying
I don't tell the stories that's Slick Rick
Took her to the crib, big 6
I swing wood, I switch it
My money long like Stacey Augmon
Bitch I'm balling, I'm 6'63
Shawty slick be hatin', all the misbehaving
You don't get a hater fucked up
And I tryna be fakin'
I treat bitches like bank accounts
I will never be chasing
I slick be checking hoes
Y'all slick be saving

[Hook]

[Verse 2]

I'm slick this, slick that
I'm with a thick bitch with a 6 pack

She ask me how her hair look
I said I like it better when it's slick back
Riding round with a slick rack
Got a lot of hoes, I'm a slick mac
Damn girl you fine as hell
And that ass is slick fat
I'm slicker than a can of oil
Some hoes say I'm mean, some hoes say I'm spoiled
If the bitch is Spanish, she cook all those compoyo
I slick be smoking tree, you slick be smoking soil
I'm talking slick, do you understand my slang?
Which I'm still fucking with the same niggas
I used to slang with
You slick jealous, you just man, cause you ain't slick
I got these lames pissed
Cause I slick with they main bitch
