I am very thankful
But I think you've missed the bus
Settle down!

I am really sorry
But I think you've lost your chance
Settle down!

I know this is the last time I say your name
I'll never put you down

So don't act like I was not there
I was there all the time
You should have never failed for me

If you ever come to town
Would you please be quiet
And don't you tell anyone they don't understand
It took me so long
I just don't wanna go back
You don't need to see me drive
I swear that I can
