I've seen the place
The place of falling rivers
Where we can breathe again

Let me see
Let me know
Let me see the one
That echoes in your mind

Rain falls, falling on the window
I ain't seen the sun in days
Bring me back
Bring me back the hope we found that day
Seems far far away

And the world we see
Belongs to you and me
If we're lucky - Andalucia
And the love you bring
Won't mean a thing
If you don't win - Andalucia

This place, feels strange
Impossible to remember
You're a 1000 miles away
I can't rest, cannot sleep
I'm feeling numb most days
Can you be the same?

The same dreams
Swimming in the ocean
White surf is all around
I can't think
Well I can't stop to think of her with him
So far far away

All the love you bring
Won't mean a thing
If you don't win - Andalucia
And the world we see
Belongs to you and me

If we're lucky - Andalucia

Andalucia

Andalucia

Oh Andalucia
