COME WITH ME

Come with me, Come with me just to watch how I'm
falling

Come with me, Come with me just to watch how I'm
falling

You the one who never say goodbye,

Now the tears are on my mind,

Aware your heart and say goodbye,

Dream away my chance to survive far away from you,

I never realized life is hard

Come with me, Come with me just to watch how I'm
falling

Come with me, Come with me just to watch

You the one who never say goodbye,

Now the tears are on my mind,

Aware your heart and say goodbye,

Dream away my chance to survive far away from you,

I never realized life is hard

Come with me, Come with me just to watch how I'm
falling

Come with me, Come with me just to watch

You the one who never say goodbye,

Now the tears are on my mind,

Aware your heart and say goodbye,

Dream away my chance to survive far away from you,

I never realized life is hard far away from you

Never realized life is hard

Come with me, Come with me
