How could I know it would rain  
Need someone to blame  
Sorry for those who paid to see  
me play

And there'll be no starlight again  
(Will) you call me today?  
Your only job was to keep me  
awake

Everybody danced  
I was laying on the floor  
I was ready to die for Rock & Roll  
Had another chance  
just the night before  
I was ready to die for Rock & Roll

How could I know you'd be late  
You're perfect to blame  
Sorry her majesty lost all her hair  
and there'll be no crying again  
(Will) you call me today?  
Your only job was to keep  
me awake

Everybody danced  
I was laying on the floor  
I was ready to die for Rock & Roll  
Had another chance  
just the night before  
I was ready to die for Rock & Roll

Give me your hand  
Leave me alone  
I got a new friend and everybody knows  
Hating your face  
Was that too much?  
I swear I'll make you anyone

Everybody danced  
I was laying on the floor  
I was ready to die for Rock & Roll

had another chance  
just the night before  
I was ready to die for Rock & Roll
