How could I know it would rain?
Need someone to blame
Sorry for those who paid to see
Me play
And there'll be no starlight again
(Will) you call me today?
Your only job was to
Keep me awake

Everybody danced
(I was) lying on the floor
I was ready to die for Rock & Roll
Had another chance
Just the night before
I was ready to die for Rock & Roll

How could I know you'd be late?
You're perfect to blame
Sorry her majesty lost all her hair
And there'll be no crying again
(Will) You call me today?
Your only job was to
Keep me awake

Everybody danced
(I was) lying on the floor
I was ready to die for Rock & Roll
Had another chance
Just the night before
I was ready to die for Rock & Roll

Give me your hand
Leave me alone
I got a new friend and everybody knows
Hating your face
Was that too much?
I swear I'll make out with anyone

Everybody danced
(I was) lying on the floor
I was ready to die for Rock & Roll
Had another chance

Just the night before
I was ready to die for Rock & Roll
Die for Rock & Roll!
Die for Rock & Roll!
Die for Rock & Roll!
