I've lost my kitten in the kitchen  
Now I'm trying to find my inner lost  
Trying to find the spirit was crazy  
But the kitty was ready to go

Free!  
Would you stop it and set me free  
Could you tell her to let me be  
I believe in the rights for kittens  
I believe in the freedom of speech

I headed to the trashbin  
I knew I would find it  
But the smell of my bad dreams  
Came up instead  
Kitty I'm sorry that I hurt your feelings  
But you don't really need to escape

When I'm all alone in cold December  
Baby I hope you remember  
Is it that you want me to surrender  
Baby I just need you back

Free!  
Would you stop it and set me free  
Could you tell her to let me be  
I believe in the rights for kittens  
I believe in the freedom of speech

Forgot to look in the elevator  
And I swear that I saw ice in her eyes  
Kitty I'm sorry that I hurt your feelings  
I know I was wrong  
You were right

When I'm all alone in cold December  
Baby I hope you remember  
Is it that you want me to surrender  
Baby I just need you back

Eeh!  
Would you stop it and set me free

Could you tell her to let me be  
I believe in the rights for kittens  
I believe in the freedom of speech

I've lost my kitten in the kitchen  
Now I'm trying to find my inner lost  
Trying to find the spirit was crazy  
But the kitty was ready to go

Would you stop it and set me free  
Would you stop it and set me free  
Would you stop it and set me free  
Would you stop it and set me free  
Would you stop it and set me free
