I hate everybody else  
Everybody but my friend  
And he said:  
It's just a bad job  
And i'm glad i'm done

It's unbelievable pain  
From everyone but my friend  
And he said:  
It's just a bad job  
And i'm glad i'm done

Well, you know the leaves are falling  
And the winter is back  
and they say  
I will never survive the raining  
I'm so sick of myself

Now the teacher's gone  
Didn't fill me up with their sorrow  
I'm above and they're below  
I don't need their insecurity  
I have plenty of my own  
Don't get any closer  
I'm allergic to love
