I don't care about what you say  
because I just don't get it  
I don't care about what you say  
because I just don't get it  
now I see a light on you  
that wasn't there before  
now I see a light on you  
that wasn't there before  
You lied! you lied!  
Jesus Christ was only a man  
You lied! you lied!  
Jesus Christ was only a man

I don't care about what you say  
because I just don't get it  
I don't care about what you say  
because I just don't get it  
now I see a light on you  
that wasn't there before  
now I see a light on you  
that wasn't there before  
You lied! you lied!  
Jesus Christ was only a man  
You lied! you lied!  
Jesus Christ was only a man

I can't stop shacking! I can't stop shacking!

You lied! you lied!  
Jesus Christ was only a man  
You lied! you lied!  
Jesus Christ was only a man

He was just a man
