Leave me alone
I don't want to stay
Don't call the cops
That's the easiest way
Already know
What you're gonna say
Oh! Let me go
I don't want to

Said all you wanted
Now I get my turn
And I will never tell you
What I really thought
This is the end
That I already know
I think I run out of words

Leave me alone
I don't want to stay
Don't call the cops
That's the easiest way
Already know
What you're gonna say
Oh! Let me go
I don't want to

(I) Got all you wanted
And that's not my fault
And I forgot to tell you
What I really thought
This is the end
That I already know
I think I run out of words
