They just took my money  
I want it  
I need it  
And it's alright  
Don't you pull the trigger  
I'm waiting for someone  
And it's alright  
It's alright  
It's alright  
It's all money

Do you know what I'm saying?  
I'm talking  
You hear me?  
Well, it's alright  
Give me what you owe me  
I don't owe you nothing  
And it's alright!  
Skip the distance  
Hey! You're not a man  
Don't you dare touch me  
You're making me insane  
If I would have know  
Love is a bitch  
Love is a bitch  
Love is a bitch  
Love is a bitch

It's alright  
It's all money  
It's all money

They just took my money  
I want it  
I need it  
And it's alright  
Don't you pull the trigger  
I'm waiting for someone  
And it's alright  
Skip the distance  
Hey! You're not a man

Don't you dare touch me  
You're making me insane  
If I would have know  
Love is a bitch  
Love is a bitch  
Love is a bitch  
Bitch  
Love is a bitch  
You're driving me crazy  
Love is a bitch  
You're making me insane  
Love is a bitch  
You're driving me crazy  
Bitch
