Jesus' bible
bible's Jesus
lot of carrots
carrot recese
it reminds me of the way that you pushed
I'd hate to be like you
You! You! You!
You became the dirty into my hair.
Push
Yes she likes it
yes she needs it
yes she gives not
yes she's down ill.
Yes she likes it
yes she needs it
yes she gives not
yes she's down ill.
Now she sees she's oversized
now she sees she's oversized
long last run to fight.
Yes she likes it
yes she needs it
yes she gives not
yes she's down ill.
Yes she likes it
yes she needs it
yes she gives not
now she's down ill.
