And I relate to my best friend, she would advice me  
She broke our code and she put on her jacket  
Now it scares me because she's really gone.  
And I relate to my best friend, do you remember?  
She was so young and now that we're burning  
They're scared because she's really gone.

And if it's going to be my destiny  
I don't want to wait till it comes to me  
I will work so hard, my hands will hurt  
I will pay my sins, if so in hell.  
Serenade, serenade me  
They say and dry but I'm just sick  
Serenade me  
They say I'm cold but I'm just sick  
Serenade me

Serenade, serenade me

Serenade me

Serenade me

And if it's going to be my destiny  
I don't want to wait till it comes to me  
I will work so hard my hands will hurt  
I will pay my sins, if so in hell.  
Serenade, serenade me  
They say and dry but I'm just sick  
Serenade me!  
They say I'm cold but I'm just sick  
Serenade me!  
Serenade me!

They say and dry but I'm just sick  
Serenade me!
