You weathered the storm  
You came out the other side  
The place you were born  
Is a place inside

Don't be sad it's gone  
Don't be sad I'm gone...

To weather the storm  
Up on your feet again  
If it all comes down  
Would you still call this the end?

Don't be sad it's gone  
Can't be sad for long

Don't give up be strong  
Don't be sad I'm gone

The night you left the storm

To weather it all  
To come out the other side  
With the moon all high  
I'll see you on the other side  
So come out the other side
