On the day the bailiffs came  
Took the keys away  
Took their home away

And honestly  
They felt ashamed  
They couldn't foresee it  
They couldn't believe it

In the hills  
The October fields  
Such a secret  
And who would believe it

It's a great day for the valleys  
It's a great day for them all

She takes her time  
Sings of the love  
No one believed her  
She made the tea  
Left all the the keys  
She's such a seeker  
And no one believed her

It's a great day for the valleys  
It's a great day for them all  
It's a great day  
It's a new day  
For them all (ooh x 4)

It's a great day for the valleys  
It's a great day for them all  
It's a great day  
It's a new day  
For them all (ooh x 4)
