Walking through a wall of glass
World is pushing me down
What goes around comes around
World is pushing me down

And to that I've been thinking
I've been really drinking
It's really hurting me bad

Though I have been dreaming
I haven't really made it
And now it's hurting me bad

Oh ohoh no
You bet
Oh ohoh no no
I'm not insane

Oh ohoh no
You bet
Oh ohoh no no
I'm not insane

Walking through a wall of glass
The world is pushing me down
What goes around comes around
The world is pushing me down

And to that I've been thinking
I've been really drinking
It's really hurting me bad

Though I have been dreaming
I haven't really made it
And now it's hurting me bad

Oh ohoh no
You bet
Oh ohoh no no
I'm not insane

Oh ohoh no
Yeah you bet
Oh ohoh no no
I'm not insane
