Blackbird singin' in the dead of night
Take these broken wings and learn to fly
All your life
You were only waitin' for this moment to arise

Blackbird singin' in the dead of night
Take these sunken eyes and learn to see
All your life
You were only waitin' for this moment to arise

Blackbird fly, blackbird fly
Into the light of the dark black night
All your life

Blackbird singin' in the dead of night
Take these broken wings and learn to fly
All your life
You were only waitin' for this moment to arise

Blackbird fly, blackbird fly
Into the light of the dark black night
All your life

You were only waitin' for this moment to
You were only waitin' for this moment to arise
You were only waitin' for this moment to arise
