I can't stand by  
And see you destroyed  
I can't be here  
And watch you burn up  
Lie for the moment  
And lie as a decoy  
So does it matter  
If I give in easy?  
So why  
Is it so hard to get by?

And I say  
We so down  
But it's now or never baby  
We don't mind  
If this don't last forever  
See the light  
But it won't last forever  
Seize the time  
Cause it's now or never baby

Let's leave at sunrise  
Let's live by the ocean  
I don't mind  
If we never come home at all  
Steal the morning  
So set in motion  
In and out of love  
And institutions  
Cause I know  
This can't last for long

And I say  
We so down  
But it's now or never baby  
We don't mind  
If this don't last forever  
See the light  
But it won't last forever  
Seize the time  
Cause it's now or never baby

So why  
Is it so hard to get by?  
And I say...

We so down  
AND! this can't last forever  
We don't mind  
Cause it's now or never baby
