Out of here  
We're out of here  
Out of heartache  
Along with fear  
There goes the fear again  
There goes the fear

And cars speed fast  
Out of here  
And life goes past  
Again so near  
There goes the fear again  
There goes the fear

Close your brown eyes  
And lay down next to me  
Close your eyes, lay down  
'Cos there goes the fear  
Let it go

You turn around and life's passed you by  
You look to those you love  
To ask them why ?  
You look to those you love  
To justify  
You turned around and life's  
Passed you by  
Passed you by, again

And late last night  
Makes up her mind  
Another fight  
Left behind  
There goes the fear again, let it go  
There goes the fear

Close your brown eyes  
And lay down next to me  
Close your eyes, lay down  
'Cos there goes the fear  
Let it go

You turn around and life's passed you by  
You look to ones you love  
To ask them why ?  
You look to those you love  
To justify  
You turned around and life's  
Passed you by  
Passed you by, again

Think of me when you're coming down  
But don't look back when leaving town  
Think of me when he's calling out  
But don't look back when leaving town  
Think of me when you close your eyes  
But don't look back when you break all ties  
Think of me when you're coming down  
But don't look back when leaving town today

There goes the fear again, let it go  
There goes the fear, let it go

Think of me when you close your eyes  
But don't look back when you break all ties  
Think of me when you're coming down  
But don't look back when leaving town today
