There's nothing in it
Just a slow burning image on a screen
In a dark room, it's a scene
From the walls of pharoah's tomb
Ask the prophet if he knows
Will this tragedy explode
If I ???
Do you think I'm being slow

Tell me if you think I'm lying
Just the word and I'll stop trying
It's a strange love, don't deny it
This kind of love don't last forever

I can see right through you baby
You're a nuclear bomb
Maybe we'll get lucky baby
We just can't go wrong

See how the fortunate hang on
You can't fix this love, it's gone
It's been spent just like an old
Like an old redundant joke
That ain't funny any more
But a junkie needs to score
??? the time is right
But the ???

Tell me if you think I'm lying
Just the word and I'll stop trying
It's a frame-up, don't deny it
This kind of love don't last forever

I can see right through you baby
You're a nuclear bomb
Maybe we'll get lucky baby
We just can't go wrong

This kind of love don't last forever (x7)

I can see right through you baby

You're a nuclear bomb
Maybe we'll get lucky baby
Maybe we were wrong

Oh yeah yeah yeah yeah yeah yeah baby
This time I'm not wrong
