On the day the bailiffs came
Took the keys away
Took their home away

And honestly they felt ashamed
They couldn't foresee it
They couldn't believe it

In the hills
The October fields such a secret
And who would believe it

It's a great day for the valleys
It's a great day for them all

She takes her time
Sings of the love
No one believed her

She made the tea
Left all the keys
She's such a seeker
And no one believed her

It's a great day for the valleys
It's a great day for them all
It's a great day, it's a new day
For them all
(Ooh, ooh, ooh, ooh)

It's a great day for the valleys
It's a great day for them all
It's a great day, it's a new day
For them all
(Ooh, ooh, ooh, ooh)
