I'm one of the luckier ones
I'm out on my own

Out here it's the notion of some
It depends who you've known
My heart always trembles from love
It's far from its home

It's what I was afraid of
Afraid of, afraid of
It's what I was afraid of
Afraid of, afraid of

Deep down in the center of us
Spun tight like a cone
The love we are capable of
Fights fear all alone

It's what I was afraid of
Afraid of, afraid of
It's what I was afraid of
Afraid of, afraid of

Don't be afraid now
Don't be afraid now
Don't be afraid now
Don't be afraid now

Don't be afraid now
Don't be afraid now
Don't be afraid now
Don't be afraid now

Yeah yeah yeah
I'm one of the luckier ones
As I'm out on my own

Out here it's the notion of some
It depends who you've, who you've
Who you've known

It's what I was afraid of

Afraid of, afraid of
It's what I was afraid of
Afraid of, afraid of
