Just because you're high
Just because you smile
Think that you're the one
Brighter than the sun
You don't need the world to get by

So you're beautiful
So you're beautiful
So you're beautiful

Radiate a glow
Confident to know
Beauty's always been
Movement from within
Raptured by your effortless flow

Makes you beautiful
Makes you beautiful
Makes you beautiful
Makes you beautiful
Makes you beautiful

Such resplendent grace, oh
Such resplendent grace

Oh, 'cause you stir fascination
May I extend an invitation?
To please be with me, please

If all you stir fascination
May I extend an invitation?

Makes you beautiful
Makes you
Makes you beautiful
Makes you

Makes you beautiful
Makes you
Makes you beautiful
Makes you
