Locked in a vacuum chasm  
Deaf when the voices chasten  
Just killed the greatest thing of all

Retain a wealth of knowledge  
Sharpen the finest talent  
Harbored the greatest thing of all

He's just a boy  
He's just a boy  
Yeah, he's just a boy  
Who has grown to find

Blank is the brightest canvas  
Black is the blush of autumn  
Life less the volume of color

Light years of wisdom may  
Only amount to just a  
Second of clairvoyant love

He's just a boy  
He's just a boy  
Yeah, he's just a boy  
Who has grown to find

He's just a boy  
He's just a boy  
Yeah, he's just a boy  
Who has grown to find

No no, no no, no no  
No no, no no, no no  
Do I have to love?

He's just a boy  
He's just a boy  
Yeah, he's just a boy  
Who has grown to find

That light-years of wisdom  
May only amount to just a

Singular second of clairvoyant emotion to you
