I've tried a million times in as many days  
To make some sense of it, most say ancestry

The thought of the warring from it  
Affects all we do  
If that was the way then this  
Can't be the same fight

If 'Oh my God' is what you need  
It works for me  
But I don't believe in any creed  
That's been forced on me

When each of us acts so inclined  
We make it true and  
And then perpetuate the  
'Oh my God' in all that

I don't profess to be so bold as  
To say I'm right  
But I am right  
To second guess any issue

If 'Oh my God' is what you need  
It works for me  
But I don't believe in any creed  
That's been forced on me

When each of us acts so inclined  
We make it true and  
And then perpetuate the  
'Oh my God' in all that

Oh my God  
And 'Oh my God' in all that  
Oh my God  
And 'Oh my God' in all that

Did someone say, "Put the fear  
Of God into that boy?"

'Oh my God' in all that

Oh my God  
'Oh my God' in all that  
Oh my God

'Oh my God' in all that  
Oh my, oh my God  
And oh my God
