Slow time

Deaf to all the hearings

Blinded to the seeings

Nothing's so revealing

Some day I might leave here

I'll get what's comin' to me one day

These days my eyes are empty

Hard times for the son of a bitch

Self inflicted, I'm gonna fall flat

Unpredicted, that's where I'm at

So addicted, dog tired in the fast lane

Break down

Devastate to kneeling

Suffering to bleeding

All the chance of feeling

Some day I might destroy here

I'm gonna get what's coming to me one day

These days my life is empty

Hard times for the son of a bitch

Self inflicted, I'm gonna fall flat

Unpredicted, that's where I'm at

So addicted, dog tired in the fast lane

Dog tired in the fast lane

Dog tired in the fast lane

Dog tired in the fast lane

Dog tired in the fast lane

Dog tired in the fast lane

Self inflicted, I'm gonna fall flat

Unpredicted, that's where I'm at

So addicted, dog tired in the fast lane

Dog tired in the fast lane

Dog tired in the fast lane

Dog tired in the fast lane

Dog tired in the fast lane
Dog tired in the fast lane
Dog tired in the fast lane

Dog tired in the fast lane
Dog tired in the fast lane
Dog tired in the fast lane
Dog tired in the fast lane
