It took a lot to sell my soul  
The same thing happened yesterday  
I paid my price, then felt alive  
But no pulse is within my veins

Never will I lie and say I'm still alive  
Come what may to me, there's something on my side

I'm left with heart, 'cause inside me's gone  
Compulsion drives me anyway  
I play my part and my part is large  
Makes me stronger every day

Never will I lie and say I'm still alive  
Come what may to me, there's something on my side

One year and it ain't so bad  
I'm trying to see things clearly  
The clearer it gets, the more I'm confused  
I'm thinking more about blindness  
Thinking hard about blindness  
Thinking purely of blindness

There's something on my side  
There's something on my side  
There's something on my side  
There's something on my side
