I feel the pressure, it lightens  
To judge this spirit of mine  
To be like the judgment  
To be the king that is left behind

To hell with I miss you  
I said I'd do it alone  
Ripping apart from you  
A broken vision to call my own

I gave my life to reason  
So now I'm watching my life go  
My wit is falling apart  
I can't shake temptation's wings  
I can't shake temptation's wings

I bury my head with frustration  
And I look at others and wonder why  
I'm feeding my cancer  
A broken vision that stole my sight

I gave my life to reason  
So now I'm watching my life go  
My wit is falling apart  
I can't shake temptation's wings

I can't shake temptation's wings  
I can't shake temptation's wings  
I can't temptation's wings

Temptations wings  
Temptations wings, temptations wings

Temptations wings  
Temptations wings got me pale  
Temptations wings  
Temptations wings got me pale

Why? Why? Why?  
Temptations wings got me pale  
Why? Why? Why? Why? Why? Why?
