Lightning struck down twice
Black mass Latin fire
Smokescreen
Cast runes terrorize
Stones thrown rooftop high
Blaspheme

Witchtripper
Witchtripper
Witchtripper all right
Witchtripper
Witchtripper all right

Satan!
Worm-carved rites...
Horridifies their spies
Smokescreen
Defend night-flight sites
Trap clamped, snared for pyres
Blaspheme

Witch tripper
Witch tripper
Witch tripper all right
Witch tripper
Witch tripper all right

Cross-gripped tight, hands tight
Smoke screen
It's what you believe in
Useless woolen lies
Blaspheme

Witch tripper
Witch tripper
Witch tripper all right
Witch tripper
Witch tripper all right
