Fingazz]

"Fin-fin-fin-fin-Fingazz on the track"

Hook: Down

You do it in the club

You do it in the 'Llac

All the girls love when you skate to the track

Do it like this

And like that

Hey DJ, run it back, let me skate to that

[Fingazz]

"I-I, I wanna get my skate on"

"Wanna get my cholo skate on"

"I, I wanna skate"

"I, I wanna skate"

"Skate, cho, cholo skate"

[Verse 1: Down]

Skate down the block on chrome D's

Lean Like A Cholo, that's me

I ain't the type to be dancin'

My six-three just to bouncin' *{*screeching*}*

I put it on three

So cold, I give you brain freeze

I see you watchin' me

Come here, little mama, and hold these

Naw

You know I'm jokin'

Put you on the team, I'm good at coachin'

I, am

Always scopin'

An itty gritty over there always loc'in'

Refrain: Down

Bounce

Flow

Cholo skatin'

Like my shoes were made by Dayton's

Just glide

And hit side to side

And if you ain't with it, then you probably hatin'

Chorus: Fingazz

"I wanna get my skate on"
"Wanna get my cholo skate on"
"I, I wanna get my skate on"
"I wanna get my skate on"
"Wanna get my cholo skate on"
"I-I, I wanna get my skate on"
"Wanna get my cholo skate on"
"I, I wanna skate"
"I, I wanna skate"
"Skate, cho, cholo skate"

(Verse 2)

(Down in background) {Down *slowed down*}
[Down] You ain't never heard no shit like this
Kilo got that new sound
Old school with a gangsta twist
I'm brown and I put it down
Hey girl, take off the cuffs
How you gon' put your elbows up
[Fingazz] "Elbows up"
"Side to side"
"El-elbows up-up, side to side" (Like a cholo)
[Down] Like I said
I like you
I like you, only now, I want 'em all
It's all good
Still in the hood
Only now, I can buy the whole damn mall
Now look at her skate down real low
Girl, show me how low you go
Slow down for the dip like low pros
Lollipoppin' that thing in {slow mo}

Repeat Chorus

Break: Down

I'm so fresh
And so clean
We G'd up
And still lean
But now we skate with it
Better get with it
Gotta switch in it
Now drop when I hit it
Like this
And like that
All the girls love when we skate to the track
Just like this
And like that

Hey DJ, run it back, let me skate to that

Repeat Refrain
