Wake up this morning and something is wrong  
I don't know what's going on  
Look in the mirror, the picture I see  
An angel face but it's not me here  
(hey, hey)  
And angel face broken inside  
(hey, hey)  
Without a trace lost inside

And I don't know why you've gone away  
I can't stop crying, coz you are gone now  
and I'm alone in this empty home  
oh no, oh no  
I don't know why you've gone away  
I can't stop crying, coz you are gone now  
and I'm alone in this empty home  
oh no, oh no

Wake up this morning and everything hurts  
I lost myself and I lost my words today  
I am in mourning and I am in pain,  
An angel face, how to come clean again?  
(hey, hey)  
An Angel face, broken inside  
(hey, hey)  
Without a trace, lost inside

And I don't know why you've gone away  
I can't stop crying, coz you are gone now  
and I'm alone in this empty home  
oh no, oh no  
I don't know why you've gone away  
I can't stop crying, coz you are gone now  
and I'm alone in this empty home  
oh no, oh no, oh no

do you wanna help, be happy to fight  
do you wanna stop while the end is in sight  
do you wanna help, be happy to fight  
do you wanna stop while the end is in sight  
do you wanna help, be happy to fight  
do you wanna stop while the end is in sight

do you wanna help, be happy to fight  
do you wanna stop while the end is in sight  
(do, do, do, do, do, do, do, do, do, do, do, do, do, do, do, do )  
(do, do, do, do, do, do, do, do, do, do, do, do, do, do, do, do )

(Ahhhhh, Ahhhh, Ahhhhh)

And I don't know why you've gone away  
I can't stop crying, coz you are gone now  
and I'm alone in this empty home  
oh no, oh no  
I don't know why you've gone away  
I can't stop crying, coz you are gone now  
and I'm alone in this empty home  
oh no, oh no, oh no
