Our hopes (our hopes) were a little too high for me  
Our dreams (our dreams) too close to reality  
And our screams (and our screams) not loud enough  
for us  
Enjoyed our lives (our lives) and now it's time to pay  
the price  
And now it's time to pay

Wherever you are,  
Whatever you do  
I wish you now,  
Better luck than in the past  
No word of farewell,  
And no word was spoken  
Now I am broken  
Coz you were gone so fast

Ourselves (ourselves) so far away, but so close to us  
Our lifelines (our lifelines) we're drifting away,  
(we're drifting away)  
We're drifting away from us

Wherever you are,  
Whatever you do  
I wish you now,  
Better luck than in the past  
No word of farewell,  
And no word was spoken  
Now I am broken  
Coz you were gone so fast

And I try  
I try to smile  
But I know I'll never be the same again  
And I try  
I try to smile  
But I know I'll never be the same again  
The same again

Now word of farewell  
And no word was spoken,  
Now I am broken

No word of farewell  
And no word was spoken,  
Now I am broken  
Coz you were gone so fast

Wherever you are,  
Whatever you do  
I wish you now,  
Better luck than in the past  
No word of farewell,  
And no word was spoken  
Now I am broken  
Coz you were gone so fast

Wherever you are,  
Whatever you do  
I wish you now,  
Better luck than in the past  
No word of farewell,  
And no word was spoken  
Now I am broken  
Coz you were gone so fast

So fast
