I am on my way, way, way, way
I am on my way, way, way

You turned your face into the darkness
Believe me, there's no light you'll see
Won't you turn your face
To me

Oh, you know, I know you well
All your heavens and your hells
Every secret you could tell
To me

From the oceans to the desert
Take your wings, we'll fly together

I am on my way
Take your wings, we'll fly together
I am on my way
Take your wings and fly

I can hear you crying, my dear
Every day and every night
You know I'm the one for you
For me

Oh your soul, it turns and twists
Lost inside my labyrinth
Take my hand, I'll lead you in
To me

From the oceans to the desert
Take your wings, we'll fly together

I am on my way
Take your wings, we'll fly together
I am on my way
Take your wings and fly

I am on my way
Take your wings, we'll fly together
I am on my way

Take your wings and fly, fly

You're falling, you're falling
You're calling, you're calling
You and I fly into the night
You and I fly into the night
Fly

I am on my way
Take your wings, we'll fly together
I am on my way
Take your wings and fly

I am on my way
Take your wings, we'll fly together
I am on my way
Take your wings and fly, fly
