(ohhh, oooh,)  
(I believe in you)(I believe in you)

Iâ€™ll always stand behind the scenes  
Iâ€™ll see your tears and hear your screams  
And Iâ€™ll be waiting for you,  
waiting, waiting patiently

I am the one behind the wheel  
But Iâ€™ll just turn it if you need it  
In your dreams, I am the melody  
Iâ€™m your private soul security

You donâ€™t have to call my name  
I will hear you  
You donâ€™t need to search for me  
Iâ€™ll find you  
You donâ€™t need to ride that dead horse  
Leave it  
If you donâ€™t believe, Iâ€™ll believe in you  
Iâ€™ll believe in you

(yeah)

Every mistake that you have made  
Every sorrow you will feel  
I can't make it undone, but I,  
Iâ€™ll make it unreal

Iâ€™ll always stand behind the scenes  
Iâ€™ll see your tears, Iâ€™ll hear your screams  
Iâ€™m the song, I am the melody,  
Iâ€™m your private soul security

You donâ€™t have to call my name  
I will hear you  
You donâ€™t need to search for me  
Iâ€™ll find you  
(Iâ€™ll find you)  
You donâ€™t need to ride that dead horse  
Leave it  
If you donâ€™t believe, Iâ€™ll believe in you

Iâ€™ll believe in you

Iâ€™ll believe in you

(oooooh, ooooo, ooooo, )

You donâ€™t have to call my name

I will hear you

You donâ€™t need to search for me

Iâ€™ll find you

(Iâ€™ll find you)

You donâ€™t need to ride that dead horse

Leave it

If you donâ€™t believe, Iâ€™ll believe in you

Iâ€™ll believe in you

You donâ€™t have to call my name

I will hear you

(you donâ€™t need to call my name, oh)

You donâ€™t need to search for me

Iâ€™ll find you

(you donâ€™t need to search for me, ah)

You donâ€™t need to ride that dead horse

Leave it

(you donâ€™t need to ride that dead horse)

If you donâ€™t believe, Iâ€™ll believe in you

Iâ€™ll believe in you
