(Oh, ohhh, ohhh, ohhh)
You little run away, run over the hills
But Iâ€™m standing in your way
Coz loneliness kills

The moment that I was born
Was the moment I cried,
(The moment that I was born)
And every second I live
is a second I die
The moment that I was born,
Was the moment I cried,
Every second I live,
Is a second I die

Oh, you little run away, run over the hills
But Iâ€™m standing in your way
Coz loneliness kills
Hey little run away, trying to leave us all
But Iâ€™m standing in your way
I wonâ€™t watch you fall
(donâ€™t run hey loneliness kills)

Every moment I hope,
Is a moment I lie
And every second I love
Is a second I die
You think your lost mistakeâ€™s found(?)
You donâ€™t want to retry
But youâ€™re not the only one
Look we all have to fight

Oh, You little run away, run over the hills
But Iâ€™m standing in your way
Coz loneliness kills
Hey little run away, trying to leave us all
But Iâ€™m standing in your way
I wonâ€™t watch you fall
(donâ€™t run hey loneliness kills)

(Oooh, ahhh, oooh, etc)

Stop

You little run away, run over the hills
But Iâ€™m standing in your way
Coz loneliness kills
(donâ€™t run hey over the hills)
Hey little run away, trying to leave us all
But Iâ€™m standing in your way
I wonâ€™t watch you fall
(donâ€™t run hey loneliness kills)
(donâ€™t run hey over the hills)
(donâ€™t run hey loneliness kills)
(donâ€™t run hey over the hills)
(donâ€™t run hey loneliness kills)
runaway
