

Down By Law "Superman"

Visit "[Superman](#)" on MotoLyrics.com

Gonna knock down every wall I find
Gonna spit out bullets
I'm gonna be a hero, the super kind
Can you dig it?

'Cause someone needs to clean things up
Before things get much worse

If I could I'd be the one, if I could be the one
'Cause I wanna be, yeah I wanna be
Well, I wanna be like Superman
But I can't seem to fly

Well, life can be a drag sometimes
No matter how hard you smile
People pushing drugs, they're looting and killing
Those are roads that I won't go down

I'm looking for some common ground
Or at least a rock so I won't drown

I'm gonna be the one, I'm gonna be the one
Well, I wanna be, yeah, I wanna be like Superman
But it's all in my mind

I wanna be, yeah, I wanna be
Well, I wanna be like Superman
But I can't seem to fly

Can you dig it?
Well, who's gonna be the one to take
All the assholes us humans make?
Like Superman, like Superman

'Cause someone needs to clean things up
Before things get much worse

If I could I'd be the one
'Cause I wanna be, yeah I wanna be
Well, I wanna be like Superman
But it's all in my mind

I wanna be, I wanna be
I wanna be like Superman
But no one I know can't

Can you dig it?
Well, I'm not gonna be the one to save you
When you don't even give a fuck
