He's crawling thru your blood, he's comin' thru
your cells...

when you don't protect yourself, he strikes you

Do you know who he is? It's the H.I.V.

Here we go, check it out!

Running thru your blood, intervening thru your cells,
I be your worst nightmare, so you can go and tell,
my duty is to take you off this earth, since your birth,
let me tell you how I go to work and how it hurts

In the 20th century they invented me, swallowed many
medicine, tackled many vaccines

Still standing here on my own and I can't wait to get
up in your home

I'll destroy your life and even take your wife,
so you better think twice before you take that price...

I'm coming in a midnight creep, watch ya family
weep,

slowly putting that ass to sleep

I'm much greater as the dominator, you and me one
and one

I know, I'm the remainder

Hopefully I go down in history as a memory, you know
my name

I'll be the H.I.V. !!

Chorus:

Somebody please help me, cause I am falling (come
on)

I'm going down, can't you hear me calling (huh)

Can't you see, what's going on with me

Oh! I need someone to help me!... (I'll be the H.I.V.)

Somebody please help me, cause I am falling

I'm going down, can't you hear me calling (huh)

Can't you see, what's going on with me

Oh! I need someone to help me!... (I'll be the H.I.V.)

Life is born from unprotected sex, life is born, sharing
needles with the next

Catch the context as I start to move it on, listen-up out
there to the facts of the song

No feeling when I'm coming to your heart, destroy

your whole family just to do my part
Can you hear me? Yo! you do, in twenty more seconds
Iâll be inside of you
Slowly see his or her health begins to fall, and sooner or
later I hear the phone call, protect yourself or get you a
partner thatâs true
Or Iâll be coming yo you, pump it thru!
Thanks for the media for giving me attention, and while
Iâm in your mind,
I like to mention, diseases of this world are family to
me
Cause Iâll be the one you hate, Iâll be the H.I.V. !!

Somebody please help me, cause I am falling (come
on)
Iâm going down, canât you hear me calling (huh)
Canât you see, whatâs going on with me
Oh! I need someone to help me!... (Iâll be the H.I.V.)

Bridge:
Is there anybody out there? Does anybody hear me?
Does anybody hear me falling?
Is there anybody out there? Oh, canât nobody see?
Canât nobody stop me from falling?? (Iâll be the
H.I.V.)
