I hurt myself today
To see if I still feel
I focus on the pain
The only thing that's real
The needle tears a hole
The old familiar sting
Try to kill it all away
But I remember everything

- Chorus -

What have I become?
My sweetest friend
Everyone I know
Goes away in the end
You could have it all
My empire of dirt
I will let you down
I will make you hurt

I wear this crown of thorns
Upon my liars chair
Full of broken thoughts
I cannot repair
Beneath the stain of time
The feeling disappears
You are someone else
I am still right here

- Chorus -

If I could start again
A million miles away
I would keep myself
I would find away
