Met him on Sunday
Loved him by Tuesday afternoon
Woke up on Friday
Changed my whole life to make some room

Around a quarter to two
I have remembered all of my lines
I say when I think of you

You're like my favorite song
And melody, that melody I love
And it goes

La da da da da da da da da da
La da da da da
La da da da da
La da da da

Hopped on the Metro
And I'm on my way home
But I can't get him out of my mind
No matter just how hard I try

And if the rumors were true
I could look forward to some
Better days and get aways

So nice 'cause when I am with you
You're the crescendo
To that melody, that melody I love
Yeah, yeah, yeah

Better days and get aways
'Cause every day is a holiday with you
Better days and get aways
'Cause every day is a holiday with you

Gotta let them know
Gotta know for sure
Don't leave me out in the cold
Gotta know for sure

When I think of you, hmm
I see, better days and get aways
'Cause every day is a holiday with you
Yeah, yeah, yeah
Better days and get aways
'Cause every day is a holiday with you

Oh, oh, ha
Better days and get aways
'Cause every day is a holiday with you
Yeah, yeah, yeah
Better days and get aways
'Cause every day is a holiday with you
